

Knockout Boxing Gloves

Wi-KBG

for Wii™

Wii Remote and Nunchuk not included

The Knockout gloves for Wii are perfect for video game brawlers that want to add a touch of reality to their gaming experience. With these gloves, you get the real-deal feel and work-out of being inside a bar-knuckle, ruthless fight. The right glove has a pouch on the backside of the hand where the Wii Remote fits; while the left has a sleeve inside the palm for the Nunchuk. The Nunchuk Sleeve on the left glove gives you access to the C, Z Buttons and joystick, convenient for ducking and dodging in certain fighting games. There is also an adjustable Velcro strap located at the wrists so you can tighten to fit the level of your comfort. All in all, the Throw-down Gloves are sure to make any gamers, whether novice or expert, put up and Throw-down for some savage video game beat-downs!

Features include:

- Velcro adjustable strap
- One size fits all
- Houses controllers on back of right glove
- Nunchuk sleeve inside the palm of the left glove
- Lightweight
