

# Sniper Rifle Gun

Wi-SRG

for Wii™

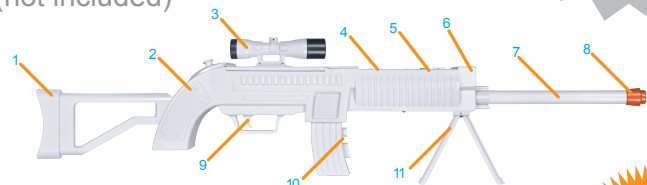

## Life-like accessory for Wii™ Shooter Games

- Removable stock, telescope and barrel
- Converts into 3 Modes
- Compatible with most Wii™ hunting and shooting games

For use with Nintendo® Wii™ Remote and Nunchuk (not included)

Finally a realistic, surefire accessory that brings even more fun to Wii™ shooting games. The Wii™ Sniper Rifle Gun controller accessory gives you realistic shooting action and improved aim. Isolate your target and shoot with precision using the Sniper Rifle Gun for Wii™. This plastic sniper rifle possesses a very life-like mold, yet its white plastic color prevents it from being mistaken for an actual rifle. Just insert your Wii Remote (with or without a MotionPlus™ attachment) and a Nunchuk and you are ready to do battle.

- Features a removable stock, scope, bipod and barrel for use in four different modes
- Contains a real functioning trigger for operating the Wii Remote
- Authentic size and feel with high quality construction
- Easy to use and lightweight
- Works with numerous Wii shooting and hunting games
- Uses a distinct toy gun white color and orange tip for safety.

Sniper rifle mode

Machine gun mode

Compact shooter mode
