Take your Wii Fit™ pushup workout to the next level with the pushup bar for Wii Fit™ balance board. Place this pushup bar on top of your balance board and grip the parallel handles to adjust your body at a steeper incline for maximum push up performance. Pop out the removable handles and connect to the board, converting it to three different push up modes. This pushup bar will allow you to perform more effective pushups for a successful fitness routine!

**Features include:**

- Made specifically for the Wii Fit™ balance board
- Attaches securely to the top of the balance board
- Foam under platform, securing grip on the balance board
- Raises your body higher to perform deeper pushups as you go down, past your chest
- Removable, adjustable angle handles

**Compatible with the following:**

- New U fitness™
- Wii fit™
- Wii fit plus™
- Jillian fitness ultimatum 2009™
- Jillian fitness ultimatum 2010™

**Package includes:**

- (2) Adjustable push up bar handles
