## TAKE YOUR HOME THEATER TO THE NEXT LEVEL

With 9.1ch CINEMA Sound, you get surround sound plus vertical sound for a truly immersive experience whether you're watching 2D or 3D. And with LG Smart TV you can enjoy Premium Content, LG Apps, Web Browsing, Miracast™ and NFC direct to your HDTV easily with Built-in Wi-Fi®.

### 9.1CH CINEMA SOUND

9.1ch CINEMA Sound is an advanced sound system composed of 9 speakers of different directions and one subwoofer. These 9 speakers deliver 9 different sounds from different directions, delivering precise and immersive sound.

### AMAMID FIBER

Treat your senses to the ultimate in sound performance. High resistance Aramid fiber speakers help deliver clear and precise sound with minimal harmonic distortion. Known for its use in bullet-proof vests, you know these speakers will stop at nothing to deliver great sound.

### LG SMART TV

An intuitive easy way to access limitless content, thousands of movies, customizable apps, and videos all organized in a simple to use interface. The LG Smart TV experience, the next generation in entertainment designed for individual and family entertainment.
