

SBX4250

Sound Bar Speaker System

TOSHIBA
Leading Innovation >>>

**FOR AWESOME
3D SOUND,
THINK
INSIDE
THE BOX**

Offering powerful, dynamic audio performance, the Toshiba SBX4250 Sound Bar Speaker System lets you easily complete your home theater setup to enjoy big-picture entertainment.

Simplicity and Convenience

Easy installation with less clutter. Just connect to your HDTV or Blu-ray Disc™ Player with HDMI® and Optical Audio inputs and hold on to your seat. It also fits perfectly on a mantel, or mounts easily on the wall.

Rich and Powerful 3D Sound

Pumping out up to 300 watts of power¹, it fills the room with rich high-fidelity sound shaped by SRS TruSurround HD™ with SRS TruBass® and Dolby® Digital. Dynamic virtual 3D sound providing all that you need for great movie watching experience.

Multiple Device Connectivity

With Bluetooth® technology, you're able to pair wirelessly to your tablet, smartphone, laptop, PC, Mac® or any one of many connectable Toshiba products.
