

HT-SL75

Overview

The HT-SL75 is all you need to complete your home theater experience. Immerse yourself in a room full of sound with this 2.1 channel super slim bar plus active subwoofer system. The HT-SL75 sound bar system features a unique twin super slim sound bar design that matches up and blends into most 60" - 70" Displays and can be used with an 80" Class TV home theater environments too. This system can be set up both horizontally like a typical soundbar, or vertically on the side of the TV for a flexible design solution. You'll be amazed by the big sound that comes from this small, sleek sound bar home theater system.
