

6in DVI-D Dual Link Digital Port Saver Extension Cable M/F

StarTech ID: DVIDEXTAA6IN

The DVIDEXTAA6IN 6-inch DVI-D Port Saver Cable/coupler avoids expensive repairs to a computer or display, by extending the port by 6in, thereby eliminating the weight and stress that would typically be placed on the port by a DVI cable. This is especially useful in an environment where cables are unplugged and re-inserted frequently.

This high quality cable features two DVI digital (dual link) connectors (M/F) and is ideal for connecting laptop computers to digital projectors or for connecting other DVI digital devices such as DVI digital flat panel LCD monitors, HDTVs, Blu-Ray players, DVD players and more.

Please note: the DVI-D Dual Link Display Cable supports digital displays only.

Applications

- Extend a video card or monitor DVI-D port by 6in, to protect against damage from frequent connect/disconnects

Features

- High quality dual-link DVI-D connectors
- High speed digital transmission rate of up to 4.95 Gbits/sec
- Supports hot plugging of DVI-D display devices
- Compatible with PC and Mac® computer systems
- Aluminum-Mylar with braided shielding

Technical Specifications

Warranty	Lifetime
Connector Plating	Nickel
Cable Jacket Type	PVC - Polyvinyl Chloride
Cable Shield Type	Aluminum-Mylar Foil with Braid
Connector A	1 - DVI-D (25 pin) Male
Connector B	1 - DVI-D (25 pin) Female
Color	Black
Wire Gauge	28 AWG
Cable Length	0.5 ft [0.2 m]
Product Length	6 in [152.4 mm]
Product Width	1.6 in [40 mm]
Product Height	0.6 in [16 mm]
Product Weight	2.9 oz [82 g]
Package Quantity	1
Shipping (Package) Weight	3 oz [86 g]
Included in Package	1 - 6in DVI-D Dual Link Digital Port Saver Cable M/F
