

8" Digital Photo Frame

VFD826-70

Display your memories beautifully

ViewSonic's new 8" VFD826-70 supports high-resolution of 800x600. The aspect ratio of 4:3 is the best format for displaying digital photos where images appear natural and undistorted. The VFD826-70 supports most popular card readers. Easy to use on-screen menus and controls allow you to create and edit your own personal slide shows. The sleek frame design complements any home or office. It's a great gift for any occasion: birthdays, anniversaries, graduations, baby showers or get one for yourself and show off all of your favorite photographs with quality, convenience and style.
