The TH-2050-UT is the ideal solution for mounting medium-sized TV's. The 15 degree tool less tilt adjustment feature enables the screen to be easily tilted to suit the viewing angle, post installation. This flexible design will hold a large range of different TVs thanks to the universal mounting pattern and is compatible with most VESA and non-VESA screens. Installation is simple and the mount has a theft resistant feature allowing you to add a padlock for heightened security.

Product key features:
