

LCT-101

# Monitor Desktop Arm

## For up to 30" Monitors

The Monitor Desktop Arm lets you optimize your viewing angle or position by providing full 3D ergonomic display positioning. The advanced gas-strut and ball joint mechanism allows effortless adjustments to be made to your monitor height, tilt, swivel, swing and extension. Achieve almost any viewing angle or position with a quick adjustment or retract the arm to a compact size increasing your work surface area. Perfect for office applications, it mounts easily and incorporates cable management. Designed to offer superior strength and ergonomics, the die-cast aluminum body is an attractive addition to any workspace.

Display size: up to 30"

Max load: 25lb (11.4kg)
