Revo 70

The Revo RL70 smart PC brings photos, videos, music and all web content through Acer clear.fi to your big-screen TV and to every other connectable device in your home. It's a serious breakthrough for home entertainment! The flexible design allows this neat PC to be placed flat on a table, stood vertically or attached to the back of a TV or monitor to save space.

Fabulous media experiences via Acer clear.fi

Enjoy photos, videos, DVDs, Blu-ray, music and social media on your TV -- all with 5.1- or 7.1-channel Dolby® Home Theater® v4 sound effects. Designed for remote control, Acer clear.fi is the ultimate entertainment center: it consolidates, controls and shares everything you have among all your connected devices at home.

Seamless, personalized TV enjoyment

Your TV experiences really become your own through Acer clear.fi. Customized playlists can consist of videos, music or photos; and direct access to everything on Youtube™, Facebook and Flickr is just a click away. Your most recent and most accessed files are shown as thumbnails for quick access and instant playback. The Revo RL70 lets you browse, organize and share your entire digital life more conveniently than ever.

Attractive gem-cut, flexible 1L design

The uniquely designed shape of this PC adds cool style to your home décor. It can lie flat, stand up or be mounted behind the TV or a monitor for clever space-savings. With the option to include an optical disc player, choose the Revo RL70 that best fits your lifestyle and enjoy the smart PC-to-TV revolution!
