Lenovo C205

Fun is being entertained with the affordable Lenovo C205 home computer.

The slim yet powerful Lenovo® C205 desktop is packed with exciting entertainment features. High-Definition Graphics provide crystal-clear images; integrated stereo speakers ensure powerful sound quality; 8GB DDR3 memory drives a faster response from applications; and advanced interactive webcam software makes video chat more fun. There are other intelligent features that improve your entertainment experience. The Lenovo Dynamic Brightness System automatically adjusts screen brightness to suit ambient light conditions and the Lenovo Eye Distance System alerts you if you are too close to the screen. To ensure uninterrupted entertainment, the Lenovo Rescue System restores your system and data at the touch of a button. Powered by the new AMD Dual-core processor, this Lenovo PC meets all your home computing needs at an affordable price. So whatever your idea of fun is, the Lenovo C205 takes you there.
