THINKCENTRE
M70e DESKTOP

AFFORDABLE ENTERPRISE-GRADE DESKTOPS STABLE. MANAGEABLE. SECURE.

THE LENOVO® THINKCENTRE® M70e DESKTOP

The ThinkCentre M70e, offered in both Tower and Small Form Factor models, is an entry-level desktop designed for cost-conscious large and mid-market businesses. The newly designed compact Tower can save 20% more workspace than a traditional Tower and the slimmer SFF desktop model offers greater expandability with additional PCI/PCIe slots.

Lenovo has a tradition of designing innovative products that deliver enterprise-level performance. The ThinkCentre M70e desktop supports Intel® Core® 2 Quad processors, which offer high-performance and peace-of-mind computing even during multitasking activities. Increase your employee productivity with the Lenovo Enhanced Experience for Windows® 7, enabling faster start-up and shut-down times. Save considerable time and costs with the latest DDR3 memory, which offers faster data transfer and reduces power consumption.

TOP REASONS TO OWN

- HIGHER PRODUCTIVITY WITH THE LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7
- HIGH-PERFORMANCE DDR3 MEMORY WITH REDUCED POWER CONSUMPTION
- ERGONOMIC INDUSTRIAL DESIGN (ID) WITH THE POWER BUTTON AND I/O PORTS LOCATED ON TOP OF THE CHASSIS
- 20% WORKSPACE SAVINGS WITH A NEW TOWER ID
- SLIMMER CHASSIS WITH ADDITIONAL PCI/PCIe SLOTS IN A NEW SMALL FORM FACTOR (SFF) ID
- ENERGY-EFFICIENT DESKTOP COMPUTING – ENERGY STAR® 5.0, EPEAT® GOLD AND GREENGUARD®
- OPTIMUM DATA SECURITY WITH THE THINKVANTAGE® TECHNOLOGIES SUITE

Deploying desktops globally is the prime necessity of all competitive enterprises. The globally available ThinkCentre M70e desktop offers a stable lifecycle for more than 12 months, enabling businesses to manage their desktops' refresh without making constant changes to the platform's components and drivers. Apart from this, the stable ThinkCentre M70e also gives you the freedom to focus on your most important business tasks.

The preloaded ThinkVantage Technologies suite reduces desktop maintenance costs and lowers dependencies on IT support. The ThinkVantage Rescue and Recovery® tool simplifies data recovery and system restoration processes. The Power Manager tool reduces electricity costs, thereby lowering the carbon footprint on the environment. Prevent data theft with the chassis intrusion switch and the USB-port disable features.

The ergonomically designed ThinkCentre M70e offers a hassle-free user experience with an easily accessible Power button and I/O ports located on top of the desktop. The reliability of ThinkCentre products has earned Lenovo the respect of large and small businesses across the globe. Rely on Lenovo's service and customer support which provide a range of warranty options including ThinkPlus® Priority Support, thus significantly saving time and costs.

Have the pride and confidence in owning the ThinkCentre M70e desktop that delivers a manageable, stable and secure computing experience!

LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7. FAST. SECURE. BUILT FOR BUSINESS.

Discover a better way of doing business with the new Lenovo Enhanced Experience for Windows® 7 on Think-branded PCs. Faster, more durable and greener Think-branded PCs are optimized for Windows® 7 to deliver improved ease of use. It enhances productivity and foolproof security that your business cannot do without.
