HP Compaq 6005 Pro Desktop PC series
Designed to deliver uncompromised results with energy efficiency features and high-end capabilities

Packed with high performance features, the HP Compaq 6005 Pro Business PC is energy efficient and well equipped to go beyond meeting your daily business demands. Enabled for manageability with DASH 1.1, you can also choose the productivity and security features that best suit your everyday needs with a PC designed to exceed your expectations.

HP recommends Windows® 7.

Designed to deliver
Enhance your capabilities with the latest AMD Business Class echnology: processors and chipset that provide exceptional performance while operating as efficiently as possible. Integrated ATI Radeon 4200 graphics with ATI Avivo™ and DirectX 10.1 provide a stunning visual experience. Dual monitor capability also comes standard for easier mutlitasking.

Use less, save more
Improve your bottom line with energy efficient features like an optional 89% energy efficient power supply, intergrated side port memory, which allows the PC to go into a deep sleep at idle and Cool'n'Quiet technology, can help you save costs by reducing energy consumption.

Easy to deploy and manage
Streamline business processes while lowering IT costs and operating expenses with DASH and other manageability features that allow for more efficient planning, deployment and transition of your PCs. You get access to a suite of client management tools, 12+ month product lifecycle and global SKUs to meet your world-wide needs.

Simplified serviceability comes in the form of tool-less hood removal, drive bays and slots as well as internal quick release latches, green pull tabs and color coordinated cables and connectors.

Security that's right for you
Help your investments be more secure with the embedded TPM 1.2 security chip that helps provide enhanced data protection and limits system access through hardware-based encryption. HP SmartCover solenoid hood lock and sensor provide a new layer of chassis security. Add HP ProtectTools modules to further enhance your first line of defense.

Deploy a PC that helps promote energy efficiency, delivers advanced visual productivity and provides headroom for future technology expansion – With the HP Compaq 6005 Pro Business PC, the only thing you won't experience is compromise.

Everybody On

Accessories and Services

HP Business PC Security Lock	This handy device ensures your desktop PC remains exactly where it is by locking the chassis cover and securing it to an anchor point. The steel loop cable is also designed to prevent unauthorised removal of keyboard, monitor and all peripherals.
	Product number: PV606AA
HP 2-GB PC3-10600 (DDR3-1333 MHz) DIMM	Maximize your Business PC performance with HP Memory. Upgrading your memory is a cost-effective way to boost your system performance without having to upgrade your processor.
	Product number: AT024AA
ATI Radeon HD 4650 DP (1GB) PCIe x16 Graphics Card	The ATI Radeon HD 4650 DP (1GB) PCIe x16 Graphics Card is an excellent choice for your small business or large enterprise engaging in video conferencing or 3D image manipulation.
	Product number: VN566AA
HP USB PS2 Washable Keyboard	The HP USB PS2 Washable Keyboard is well-suited for environments that require keyboards to be immersed and cleaned with the following solvents: soap, washing-up liquid, non-abrasive cleaners, general purpose cleaners, bleach, disinfectant, antibacterial cleaners and surgical spirit. The HP USB PS2 Washable Keyboard provides protection against ingress of water and dust to code IP66 defined in IEC (International Electro Technical Commission) standard 60529-1 and code 4X as defined in NEMA (National Electrical Manufacturers Association) standard 250. The code IP66 defined in the IEC standard 60529 means the keyboard is protected against the ingress of dust, and that high pressure water jets from any direction will not have any harmful effects. A NEMA 4X enclosure as defined in NEMA standard 250 will provide protection against windblown dust, rain, splashing water and hose directed water. For additional information on regulatory standards consult your legal department.
	Product number: VF097AA
3 years Next Business Day Onsite with Defective Media Retention, excl. External Monitor, HW Support	Retain your defective media for disposal in a way that meets your security standards, and receive high quality onsite and remote support from HP.
	Product number: UF360E
