

Lenovo® recommends Windows® 7 Professional.

lenovo® **FOR**
THOSE
WHO DO.™

THE LENOVO® THINKCENTRE® EDGE92z ALL-IN-ONE DESKTOP CONVINIENCE. COLLABORATION. PRODUCTIVITY.

The Lenovo ThinkCentre Edge 92z AIO is engineered for those who want the best technology for enterprise use, advertising, designing, or studies. With saving up to 70% space¹ on the desk, this AIO is easy to set up, mount, and move. In addition, improve desk management without cable clutter, and save more space by sliding the spill-resistant keyboard under the AIO.

The convenient and comfortable to use AIO is fitted with a large 21.5" wide LED 1920 x 1080 HD display. This IPS wide viewing screen delivers an unrivalled great image quality at almost any angle. The display is protected by Full HD Infinity screen, which is easy to clean and disinfect. Designed for best productivity, the AIO offers up to Intel® Core® i7 Quad Core (65W) CPUs and 2GB optional discrete graphics. Enhance multitasking with multiple active displays. In addition, use the HDMI in/out and Intel® Wireless Display (WiDi) technology to connect easily to ThinkPad Edge or a large display.

This classy Lenovo ThinkCentre Edge 92z AIO is optimized for Microsoft® Lync™ qualified VoIP features as well as USB 3.0, Wi-Fi Direct™, and Bluetooth® to promote collaboration—for those who want to do more.

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Fast and optimized for multimedia: Lenovo Enhanced Experience 3 for Windows® 7 uses RapidBoot technology to start your PC 40% faster than a typical Windows® 7 computer*. And BootShield maintains fast boot performance even after installing multiple applications. Plus, you can enjoy richer sound and HD webcams. Find out more at www.lenovo.com/win7ee

*Available on certified models with Intel® Core™ i3, i5 or i7 processors. Claim is calculated by taking the average of Lenovo EE3 notebooks and desktops, and compares it with averaged data from 49 competitor products of similar configuration (Intel® Core™ i3, i5 and i7 PCs only). Testing conducted by CNET Labs, Beijing in December 2011, using the independent VTS tool to measure start-up time and other performance measurements. Performance will vary by model and configuration.

Lenovo® recommends Windows® 7 Professional.

IMPROVED PRODUCTIVITY

- Up to Intel® Core™ i7 Quad Core (65W) processors for fast CPU performance
- Up to 30% faster system boot up with RapidBoot HDD Accelerator
- Multiple active displays with View Management Utility (VMU) software to working with and manage multiple applications
- HDMI in/out and WiDi² to connect easily to ThinkPad Edge or a large display

CONVENIENT DESIGN

- Up to 70% space saving design¹ with a waterproof keyboard that slides underneath the AIO
- Intel® Small Business Advantage helps you focus on your business while easily managing the AIO
- Full HD Infinity screen that is easy to clean and disinfect—protects the display
- Easy to set up, mount, and transport with the sleek and clutter-free design

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7.

Optimizes data security with robust features like:

- Self-encrypting drives that protect data on the hard disk drives in case of loss or theft
- Hardware Password Manager for central security management of self-encrypting drives

Provides superior web conferencing⁴ with:

- Keystroke noise suppression⁵ and high-quality webcam⁶

ENTERPRISE COLLABORATION

- Large 21.5" Wide 1920 x 1080 HD LED display with IPS wide viewing angle
- Microsoft® Lync™ qualified hardware and software optimized for VOIP communication
- USB 3.0, Full HD Infinity screen, and Bluetooth® to connect quickly to other devices and share information

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkCentre investment. Succeed with substance, and let Lenovo's Service support you all the way.

• Priority Technical Support⁷

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

• Warranty Upgrades - Onsite Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

• Warranty Extensions (1 to 5 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

• Keep Your Drive

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

• Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

• Onsite + Tech Install of CRUs

CRUs (Customer Replaceable Unit Parts) warranty upgrade broadens your coverage to include onsite technician installation of CRU parts.
