TO INCREASE ENERGY
EFFICIENCY

The Lenovo ThinkCentre Edge 62z is the first AIO to be offered at an economical price. Improved productivity using the 3rd generation Intel® Core™ processors, fast boot up, Wi-Fi and Bluetooth® support while going easy on your pocket. Save up to 65% space¹ on the desk, making enough space when you need to add more desktops.

Start your Windows PC with minimum wait time. Lenovo Enhance Experience 3² provides fast boot up without an expensive solid-state drive. Optimize power utilization with real time power consumption detection supported by the Latest Desktop Power Manager. Save energy and the environment using energy-efficient power saving unit and ENERGY STAR® 5 support.

Ultimately, the Edge 62z is the best cost-efficient investment to improved productivity with better workspace and desktop management.

IMPROVE PRODUCTIVITY

- 3rd Generation Intel® Core™ processors up to i3 for fast CPU performance
- Integrated HD graphics provides better visuals and multimedia
- Fast system boot up with Lenovo Enhance Experience 3²
- Up to 1TB HDD³ and 8GB memory to support better storage and computing
- Wi-Fi and Bluetooth® support to improve information sharing

LENOVO® ENHANCED EXPERIENCE 3 FOR WINDOWS® 7

Optimizes data security with robust features like:

- Self-encrypting drives that protect data on the hard disk drives in case of loss or theft
- Hardware Password Manager for central security management of self-encrypting drives
- BIOS Port Lock⁵ to disable all input and output ports remotely without any additional hardware

Provides superior web conferencing with:

- Keystroke noise suppression⁶ and high-quality webcam⁷

CONVENIENCE AND SECURITY

- Up to 65% space saving design¹ for convenient desk space
- Kensington lock support secures the AIO to your desk
- USB port disable protects your desktop against data theft

GREEN AND ENERGY SAVING

- Latest Desktop Power Manager to optimize energy consumption
- 87% PSU to increase power saving
- ENERGY STAR® compliance for superior energy efficiency
- EuP 2013 standard compatible for less energy consumption

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkCentre® Edge investment. Lenovo Services lets you focus on your customers and business, not your IT.

• Priority Technical Support⁴

- » Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and rapid response and resolution.

• Warranty Upgrades – Onsite and Next Business Day

- » Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

• Warranty Extensions (1-to-4 Years Total Duration)

- » This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
