Datasheet

HP ProDesk 400 G1 Microtower PC

Maximize your investment. Keep growing your business, not your expenses. The HP ProDesk 400 G1 Series offers expandable desktop PC options that meet your everyday business needs with enough room to grow. Watch your business flourish while reducing the total cost of ownership—now that's a smart investment.

HP recommends Windows.

Customized convenience

Customize a PC configuration that's the perfect fit for your business and take advantage of a 12-month product lifecycle.

Look smart and work smarter, thanks to a stylish design offering increased flexibility for a variety of hardware configurations. It's the perfect way to meet your needs—and your budget.

Cruise through tasks easily and efficiently with the latest processor technology. The Intel[®] Core[™] 4th Gen processor¹ boasts a powerful chipset, processor support and robust memory.

Be confident at the helm with help from programs like HP Support Assistant² that make deployment and management a breeze.

Coast through your task list thanks to Windows 8.1^3 and HP. Enjoy a superior user experience that includes intuitive and simple software applications like HP PageLift.⁴

More expansion, less expense

Experience high growth at a low cost of ownership with options for easy expansion and upgrades.

Don't limit your business. Choose from microtower or small form factor with optional bundled displays that can be upgraded and expanded as your needs change.

Here's a PC you can rely on. Enjoy a business-class platform and 12-month lifecycle plus the assurance of 115,000 hours of reliability testing.

Easily share your internet connection with up to five devices with HP Wireless Hotspot.⁵ Help colleagues get online and improve productivity.

Help decrease your environmental impact when you use an EPEAT® Gold⁶ registered PC.

Solid security

Protect data, devices and identities with HP Client Security⁷ which now includes HP Trust Circles^a to make sure only approved contacts can access the files.

Stay up and running. HP BIOS Protection⁹ offers enhanced protection against virus attacks to the BIOS and other security threats, and is designed to help prevent data loss and reduce downtime.

Keep sensitive information in safe hands. HP Trust Circles[®] protects your data by ensuring that only approved contacts can access critical files.

Rest easy and work confidently with dependable support options including a parts/labor/on-site warranty and parts availability for up to three years.

Input Device	HP PS/2 Keyboard; HP USB Keyboard; USB Smart Card (CCID) Keyboard ¹⁶ HP Wireless Keyboard and Mouse Combo; HP PS/2 Mouse; HP USB Mouse	
Security	SATA port disablement (via BIOS); RAID Configuration; Serial, parallel, USB enable/disable (via BIOS); Optional USB Port Disable at factory (user configurable via BIOS); Removable media write/boot control; Power-On password (via BIOS); Administrator password (via BIOS); HP Chassis 1 bay security kit	
Software	HP Client Security (incl. Cred Mgr and Password Mgr); HP Trust Circles Standard; HP Wireless HotSpot (Win 8.1); HP PageLift; HP Recovery Manager; HP Support Assistant; HP ePrint; CyberLink PowerDVD; CyberLink Power2Go (Secure Burn); Buy Office ^{8,11,12}	
Dimensions	18.28 x 40.2 x 35.7 cm Without stand	
Weight	Starting at 7.14 kg Weight will vary by configuration.	
Operating Humidity Range	10 to 90% RH	
Operating Temperature Range	10 to 35°C	
Energy Efficiency Compliance	ENERGY STAR® qualified configurations available Low halogen	
Power	Internal 300W Power Supply, Active PFC, high efficiency energy saving power supply options available ¹⁶	
Warranty	1-year limited warranty including 1 years of parts, labour, and next-business-day onsite service. Terms and conditions vary by country. Certain restrictions and exclusions apply.	

HP ProDesk 400 G1 Microtower PC

HP recommends Windows.

Accessories and services (not included)

HP 4-GB PC3-12800 (DDR3-1600 MHz) DIMM Memory	Maximize your business PC performance with HP Memory. Upgrading your memory is a cost-effective way to boost your system performance without having to upgrade your processor. Product number: B4U36AA
NVIDIA NVS 315 1GB Graphics Card	Get efficient dual-display graphics performance in a PCI Express low-profile graphics card with the NVIDIA NVS 315 PCIe x16 1 GB Graphics Card, an ideal desktop graphics solution for professional business and commercial applications. Product number: E1C65AA
HP 128 GB SATA 6 Solid State Drive	Boost the performance and robustness of your HP Business Desktop PC with an HP Solid State Drive. The HP Solid State Drives are a drop-in replacement for the 2.5-inch or 3.5-inch (with bracket) hard disk drive of some HP Compaq Business Desktop PCs providing many performance and durability improvements over traditional Hard Disk Drive (HDD) technology. Product number: QV063AA
HP USB Keyboard	The new HP USB Keyboard features an impressively durable design built for ease of use and everyday business computing. Product number: QY776AA
HP USB Optical Scroll Mouse	Utilizing the latest optical sensing technology, the HP USB Optical Scroll Mouse records precise motion over a variety of surfaces without a mouse pad. Product number: QY777AA
3-year Next Business Day Onsite	Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely Product number: U6578E are Pack

HP ProDesk 400 G1 Microtower PC

HP recommends Windows.

Footnotes

¹ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; ² HP Support Assistant requires Windows 7 or later edition and internet access.; ³ Not all features are available in all editions of Windows 8.1 Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See http://www.microsoft.com.; ⁴ HP PageLift requires Windows 7 or higher edition.; ⁵ The wireless hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or PC connection Manager for Windows 7.; ⁶ EPEAT registration varies by country. See www.epeat.net for registration status by country; ⁷ HP Client Security requires Windows. Planned support for Windows 8.1 expected to ship with products beginning in December 2013.; ⁸ HP Trust Circles Standard, when included, allows up to 5 Trust Circles with up to 5 contacts in each Trust Circle. Optional Trust Circles Portesional required for unrestricted number of Trust Circles and members contacts. Trust Circles Reader is available to allow a contact to participate in an invited Trust Circle. Requires Windows. ⁹ HP Tools partition with HP BIOS required for automatic recover

Technical specifications disclaimers

¹ Not all features are available in all editions of Windows 8 and Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 and Windows 8.1 functionality. See http://www.microsoft.com.;² This system is preinstalled with Windows 7 Pro software and also comes with a license and media for Windows 8 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data. Optional accessories sold separately.; ¹ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications enabled for Intel[®] 64 architecture. Processors will not operate (including 32-bit operation) without an Intel[®] 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is reserved for system recovery software; ⁵ Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.66B Single Side/JS.2 Double Sided-Version 1.0 Media; ⁶ With Blu-Ray drive XL, certain disc, digital connection, compatibility and performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In ordee rore resormables required, ⁹ ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintente). Print times and connection requirements; ¹⁰ HD content required to wile wile saccess point and internet service. Availability or buble: wreless access
