OVERVIEW

With the NB3740 Sound Bar System, you'll take your movies, music, and entertainment to a whole new level. Hear wide, spacious sound from just one slim speaker system. And, with Built-In Wi-Fi™ you have access to the best of the Internet*, without additional wires, and have access to content like Netflix, Hulu Plus and YouTube for virtually endless entertainment options. With Bluetooth®, you can stream music without wires to your sound bar to create your perfect sound track. The wireless subwoofer gives that added bass for a virtual surround sound, while keeping your entertainment unit mess free.

HIGHLIGHTS

PREMIUM CONTENT

Access premium content from providers like Hulu Plus®, Netflix® and YouTube® directly through your LG Smart TV. Stream your favorite movies and TV shows, enjoy the latest games, apps and more. LG connects you to the content that you and your family want.

LG APPS

The LG Smart World app store built into your LG Smart TV is loaded with fun and useful new apps for you to search, download and enjoy, taking your entertainment experience to the next level.

WIRELESS SUBWOOFER

Add sharp sonic kick and thunderous power to all of your entertainment with our wireless subwoofer. It's easy to set up, and you won't need to run a wire to connect it to your audio system.
