**55" and above TV Matching**

## PRODUCT HIGHLIGHTS

### 7.1-Channel Immersive Sound

Add thrilling home theater audio to everything you watch, delivered by a seven-speaker array inside this superior sound bar for surround sound effects, plus the power of a wireless subwoofer.

### Hi-Fi DAC

The quality of the Digital-to-Analog converter, or DAC, inside your audio system largely determines the ultimate sound quality. Fortunately, this LG sound system features a true high-fidelity DAC for the purest reproduction of even your most sublime musical selections.

### Google Cast™ Ready

LG Music Flow products have Google Cast built-in so you can cast your favorite music apps like Pandora and Google Play Music from your personal device to your speakers. You can cast from your Android phone or tablet, iPhone, iPad, Mac or Windows laptop or Chromebook.
