Is it a TV? Or something better?

You know it's time to start enjoying high definition and the LD350 is an easy way to get into it. This is a beautiful LCD with all of the innovations that make LG TVs a better viewing experience.

See and experience more. Pictures are sharper. Colors are more vibrant. Entertainment is more real. Everything looks better on an HDTV.

Get easy self-calibration with on-screen reference points for key picture quality elements such as black level, color, tint, sharpness and backlight levels. Take the guesswork out of picture adjustments with this simple-to-use feature.

Wise and not wasteful. With our Smart Energy Saving Features, you can conserve money and energy.
