MODELS

55LB7200 55" CLASS (54.6" diagonal)

The LB7200 is a gorgeous screen either on or off. With LG's cinema screen design that gives you an ultra-narrow bezel, virtually all you see is picture. This Full HD 1080p, LED TV shows amazing clarity and color detail. And, with LG's latest Smart TV there is plenty to watch from content providers like Netflix, Hulu Plus and YouTube all easily accessed with our fun to use Magic Remote with voice recognition. Now it is easy to search and select content across all apps at the same time. With an MCI of 960 this TV showcases bright, true-to-life colors all while ensuring the fastest action scenes have virtually no motion blur.

PRODUCT HIGHLIGHTS

IPS PANEL

Make any seat the best seat in the house with a clearer and more consistent image at wide viewing angles compared to conventional screens.

MCI 960

Excellent motion clarity to provide superior sharpness in fast motion video including sports and videogames.

LED BACKLIGHTING

LED makes TVs slimmer, while also delivering amazing brightness, clarity and color detail.
