40RV525U 40.0" diagonal 1080p HD LCD TV with CineSpeed™

40RV525U

1080p Full HD LCD TV
with CineSpeed™

LEADING THE WAY IN
HOME ENTERTAINMENT
INNOVATION

ADVANTAGE

- 1080p Full HD CineSpeed™ Display
 - DynaLight™ Dynamic Backlight Control for Deep Black Levels
 - Native Mode™ Eliminates Unnecessary Over-Scanning and Restores Picture Size
 - Gaming Mode for Fast Game Controller Response
 - ATSC / QAM Digital Tuner for Over-the-Air and Cable-in-the-Clear Digital Tuning
 - 3 HDMI™ Digital Inputs
- High-Res PC Input (S-XGA, 15 Pin, D-sub)
- New High-Gloss Black Cabinet

PRELIMINARY

40RV525U

1080p Full HD is within reach with the 40RV525U. Great new high-gloss black styling, DynaLight™ dynamic backlight control, enhanced connectivity with a 3rd HDMI™ digital input, and High-Res PC Input makes this model ideal for your living room or home entertainment center.

DynaLight™ Backlight Control utilizes advanced image processing to monitor the brightness of each video frame, and adjust the backlight intensity accordingly. This precision creates seamless transitions with deep blacks for increased detail and depth analysis.

CineSpeed™ LCD panels have the 8ms or faster response speed necessary for cleaner high-action home theater images. A wide viewing angle ensures that you'll have the best seat in the house.

Gaming Mode enhances the gaming experience by reducing the amount of time it takes for the signal to travel from the game controller to the TV.

¹Compatibility with other HDMI™-CEC products will vary by manufacturer. Some products will not be compatible at all or may only allow for limited functions.
²In some cases, the universal remote may not operate additional devices or certain features of such devices, in which case, it is suggested that you use the original remote control for the applicable device.
³If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television.
⁴Viewing 24 frames per second requires content created in 480p / 24 frames/second.
