42TL515U

A new dimension of fun. All kinds of cool.

The 42" class TL515 delivers dazzling 3D entertainment, exclusive Toshiba innovation and stand-out styling too.

Value-minded buyers ready to take the 3D plunge will zoom right in on the 42" class TL515U LED HDTV with its dazzling bigscreen 3D performance, sophisticated styling, affordability, plus famous Toshiba quality, innovation and reliability. Experience Toshiba's bigscreen TL515U LED HDTV, delivering eye-popping movies and games in 3D, plus brilliant 1080p full HD imagery in 2D. Together, with an integrated Gaming Mode that reduces controller delay. This 3D technology is ideal for gaming enthusiasts.

Key Features:

1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

3D Natural (Passive)

3D technology is ideal for families and gamers who want to enjoy in-your-face action, eye-popping movies and games in 3D.

Local Dimming

With control of different "zones", it allows for precise and accurate dimming control for deeper images.

ClearScan 240™

Get awesome viewing for quick-action sports and other entertainment with 240Hz anti-blur for enhanced picture quality and fast-motion video.

4 HDMI®-CEC

Easily connect to high-definition video, and amazingly immersive surround sound in one cable.
