

## Light up any room— on any budget.

Our 40" class E210U blends quality, innovation and affordability to deliver truly memorable entertainment.

Think you need to break your budget to enjoy blockbuster HD entertainment? Not with Toshiba's LCD HDTV series. Featuring all-new design, this 40" class value-packed television looks great and works well in a living room, kitchen or bedroom. Watch your favorite movies and programming in 1080p full HD. Show your latest vacation videos and pics with a high-res PC connection. And do it all with the assurance of famous Toshiba quality and reliability. Want more memorable entertainment for your money? Our 40" E210U series delivers.

### Key Features:

#### 1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

#### DynaLight™

Increase detail and depth of the images on your screen with Dynalight™, a technology that monitors the brightness level of each video frame, even in low light settings.

#### Hi-Res PC Input

Enjoy high definition images when you connect your PC to your TV.

#### 2 HDMI®-CEC

Easily connect to high-definition video, and amazingly immersive surround sound in one cable.

#### USB Connection

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.

<sup>1</sup>While every effort has been made at the time of publication to ensure the accuracy of the information provided herein, product specifications, configurations, system/component/options availability are all subject to change without notice.

<sup>2</sup>HDMI®-CEC Use of HDMI®-CEC requires an HDMI®-CEC compatible display/peripheral device. Depending on the specifications of your device, some or all HDMI®-CEC functions may not work even if your display/peripheral device is HDMI®-CEC compatible.

<sup>3</sup>VESA® Mounting Pattern If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television. Care should be taken to place or install the display where it cannot be pushed, pulled over, or knocked down.
