MC-CG301 Compact Canister Vacuum

Features:

Blower Function

Attach the hose to the blower port and you have a simple, efficient way to extract dirt from hard-to-reach nooks and crannies, blow debris outdoors or corral it for non-vacuum cleaning.

Ultra-Lightweight, Portable Design

At only 9.4 lbs and featuring a large, ergonomic handle on top, the vacuum can easily be carried up and down stairs or comfortably held for above floor cleaning. A small footprint lets the unit easily turn in small spaces and follow you as you clean.

Powerful 11-Amp Motor

Despite its compact size, the MC-CG301 sacrifices nothing in the way power. A muscular 11-amp motor delivers thorough cleaning results.

Automatic Cord Reel

A single touch activates the cord rewind mechanism making storage easy and convenient.

12-Inch Cleaning Path

Wide, 12-inch floor nozzle gets the job done more quickly.
