

32 Channel DVR | 32 Cams | 700TVL Res | 100ft/80ft Night Vision

QT5132-32N8-3

Cover every angle and know that what you've worked hard for is safe and sound with a 32 channel, real-time surveillance system from Q-See. The QT5132-32N8-3 is a high capacity system with 30fps recording for a thorough and effective coverage. Let this high resolution Q-See system watch over all corners of your warehouse and know what happens just as it happens. Easily protect your multi-level office building with just one system. No matter the need, this superb 32 channel system offers a solution.

The 32 included 700TVL bullet cameras produce clear surveillance images with excellent detail. These cameras, with 756x504 effective pixels, produce sharp, detailed images that are capable of up to 100 feet of night vision to ensure your entire property is clearly covered both day and night.

This DVR's remote monitoring capabilities keep you connected, enabling you to keep an eye on your home from anywhere at any time. Simply download the free Q-See Apps and access live or previously recorded video via iPhone, iPad, Android, or Windows Phone. Instantly receive email alerts with incident snapshots when motion is detected or in the event a camera becomes disabled. As the frontrunner in innovation, Q-See is the trusted leader in surveillance solutions for home and business, delivering peace of mind anywhere, anytime.
