

## ABS Awesome V1 Deluxe Desktop System

\*Accessories Sold Separately

### AMD Athlon™ 64 Processor and ATI Radeon™ Xpress 200 Chipset

ABS Awesome V1 Systems are equipped with the powerful AMD Athlon™ 64 Processor, providing simultaneous 32 and 64-bit computing with no degradation in performance. Stellar graphics performance is possible with the first chipset solution in the market with a DirectX™ 9.0 graphics core; the ATI Radeon Xpress 200 chipset, which can blaze through anything from Multimedia Applications to intense 3D gaming!

### With Great EXPERIENCE, Comes Great QUALITY

With over 15 years in the industry, ABS has the experience to build top-quality systems for the lowest possible price. All ABS Machines are built with quality name brand components, and put through strict quality control to ensure the best possible performance.

#### Award-Winning Recognition

Don't take our word for it, see what the experts say about our products and services. With awards like "Best Buy", "Best Family PC", and "Editor's Choice", it's no wonder why ABS is regarded as one of the top system integrators.

#### 3-Phase Quality Control Evaluation

All ABS Desktops undergo a strenuous 3-Phase stress testing evaluation process to ensure that your system will run at the highest level of quality possible. The three phases include: Benchmark Testing, Driver Optimization, and Stability and Reliability Testing.

#### Windows® XP® Restore Disc

All ABS Awesome Desktop PCs come with Windows XP Professional, Windows XP Home Edition, or Windows XP Media Center Edition pre-installed and configured with all of the necessary drivers.

#### Hand-Built in the U.S.A.

All ABS Systems are carefully built by professionally trained technicians in the United States of America. Our highly trained Customer Care agents are all located in the U.S.A. to give you a more trusted experience.

### ABS SYSTEMS ARE BUILT WITH THE BEST COMPONENTS

AMD, the AMD Arrow logo and combinations thereof are trademarks of Advanced Micro Devices, Inc. The Microsoft logo is a trademark of Microsoft Corporation in the United States and/or other countries. All other logos and trademarks presented are owned by their respective companies.

### Save TIME and MONEY!

Put this into perspective: If you buy every component yourself, you're not only giving yourself the headache of determining the best brand and specifications to fit your needs, but you also waste time with researching and pay extra for shipping each separate component.

Now take a look at ABS and the dedication to 100% customer satisfaction by completing the research and configuration for you. We fine-tune your machine and determine the best possible specifications, all for the best price. When you buy an ABS Awesome System, you not only save time, but you also get peace of mind, knowing that your complete system is ready to go right out of the box!
