

# SGD5

## 5 Port 10/100/1000Mbps Gigabit Ethernet Desktop Switch

Making use of your existing four-pair Category 5 copper cabling the SGD5 Gigabit Ethernet Desktop Switch is the economical way to give your network the boost it needs. Video streaming, high-speed backbone connections, bandwidth intensive applications - all become possible when you upgrade the easy, cost-effective way with Amer's Gigabit over Copper Switches.

### Specifications

#### Header

Manufacturer: Amer  
Model: SGD5

#### Performance

MAC Address Table Size: 8k  
Networking Standards: IEEE 802.3; IEEE 802.3u; IEEE 802.3ab;

#### Ports & Port Features

RJ45 10/100/1000Base-T: 5  
Auto-negotiation: For port speed and duplex mode  
LED Status Indicators: Port link activity; Port connectivity; Port transmission speed; Power;

#### Warranty and Support

Warranty: Limited lifetime Warranty for as long as the original customer/end user owns the product, or 5 years after product discontinuance, whichever occurs first (excluding power supplies and fans); Power supplies and fans carry a limited 1 year warranty.  
Support: Free technical support (phone/email); Premium incident support.

#### Electronic Features & Electrical Emissions

Emissions: CE Mark Class A;  
Power Supply: External power adapter 7.5VDC/1A  
Power Consumption: 7.5 Watts

#### Environmental Parameters

Humidity Range Operating: 10-90%  
Max Operating Temperature: 104F  
Min Operating Temperature: 32F

#### Dimensions & Weight

Width x Depth x Height: 6.7" x 3.9" x 1.1"  
17.1 x 9.8 x 2.9 cm  
Weight: 1.80lbs
