ATLAS 550
ENTERPRISE SERVER CHASSIS SERIES

A SERVER CASE THAT'S JUST THE RIGHT SIZE

The new, smaller sibling to the Titan 650, the Atlas case continues to meet the needs of today's server and workstation markets. Front accessible HDD installation, a 120 mm TriCool™ exhaust fan and two front 92 mm fan mounts and a TP-550 power supply make building, upgrading and accessing a breeze. Atlas: an ideal case for professional system builders and power users building a sturdy server.
