GX500 DESIGNED TO BE BOLD

ENCLOSURES

The GX500 is designed for gamers from the inside-out, from its spacious interior, to its advanced cooling system. A total of three fans come standard along with washable dust filters and handy cable routing that helps keep equipment cool, dust-free and reliable. The GX500 also lets you organize a clean, powerful build with space for elite GPUs up to 15" (380 mm) in length, and extra space behind motherboard tray.
