25-CHARACTER DESCRIPTION:

Screen Cleaning Gel

50-WORD DESCRIPTION:

Introducing Deep-Cleaning Gel™, part of Antec Advance Cleaning Solutions. Deep-Cleaning Gel™ contains a unique non-drip, anti-bacterial formula that allows for quick & easy cleaning and a germ-free device. Deep-Cleaning Gel™ is available in a 30 g bottle and includes a 20 cm² microfiber cloth that efficiently dries your screen.

100-WORD DESCRIPTION:

Introducing Deep-Cleaning Gel™, an Antec Advance Cleaning Solution created to keep your electronic devices flawless and functional. Deep-Cleaning Gel™ contains a unique non-drip formula that adheres to your device's screen, allowing for quick and easy cleaning, and is anti-bacterial to keep your device germ-free. Apply it to your device between long periods of use, and then maintain your device's shine with other Antec Cleaning Solutions. The included 20 cm² microfiber cloth efficiently dries your screen without any smudges or streak marks and gives it that extra shine. Deep-Cleaning Gel™ is available in a convenient travel-size 30 g bottle.

150-WORD DESCRIPTION:

With daily use, electronic devices such as monitors and smartphones accumulate fingerprints and dust, making their displays difficult to read. Introducing Deep-Cleaning Gel™, an Antec Advance Cleaning Solution created to keep your devices flawless and functional. Deep-Cleaning Gel™ contains a unique non-drip formula that adheres to your device's screen, allowing for quick and easy cleaning, and is anti-bacterial to keep your device germ-free; it is also alcohol & ammonia free, anti-static and fingerprint resistant. Apply it to your device between long periods of use, and then maintain your device's shine with other Antec Cleaning Solutions. The included 20 cm² microfiber cloth efficiently dries your screen without any smudges or streak marks and gives it that extra shine. Deep-Cleaning Gel™ is available in a convenient 30 g travel-size bottle. Perfect for monitors, laptops, tablets, smartphones, gaming devices and more: Protect your investment with Antec Advance Cleaning Solutions, the best solution for a clean screen!
