Gross Weight (packaged)	23.6 lbs / 10.7 kg
USM Net Weight	0.9 lbs / 0.4 kg

SOLO II USM

25-CHARACTER DESCRIPTION:

USM-enabled Quiet Computing

50-WORD DESCRIPTION:

The SOLO II USM reinvents Antec's renowned Sonata line with Quiet Computing™ technologies. Its dual hard drive mounting system includes tray mounts with silicone grommets and a tool-less suspension mount system. SOLO II USM also features a preinstalled EasySwap USM™ adapter for Seagate® GoFlex® and SSD hot swap drive compatibility.

100-WORD DESCRIPTION:

The SOLO II USM emphasizes Quiet Computing™ and reinvents Antec's renowned Sonata line with a new set of attractive, practical features. A preinstalled USM (Univeral Storage Module) adapter makes hot-swapping your Seagate® GoFlex® drives and SSDs easier than ever. Externally, the SOLO II USM's dual-layer 1.0 mm SECC / polycarbonate top & side panels absorb noise for exceptional sound dampening. To reduce vibration-related noise, the dual hard drive mounting system gives you the option of mounting your hard drives using tray mounts with silicone grommets or the tool-less suspension mount system. With washable fan filters and two front panel USB 3.0 ports, the SOLO II USM is the rebirth of Quiet Computing™.

150-WORD DESCRIPTION:

The SOLO II USM emphasizes Quiet Computing™ and reinvents Antec's renowned Sonata line with a new set of attractive, practical features. An included preinstalled USM (Universal Storage Module) adapter in the top 5.25" drive bay makes hot swapping your Seagate® GoFlex® drives and SSDs easier than ever. Externally, the SOLO II USM's dual-layer 1.0 mm SECC / polycarbonate top & side panels absorb noise for exceptional sound dampening. To reduce vibration-related noise, the dual hard drive mounting system gives you the option of mounting your hard drives using tray mounts with silicone grommets – compatible with 3.5" and 2.5" – or the tool-less suspension mount system. SOLO II USM offers further customization with a dedicated 2.5" SSD drive mount and space for graphics cards up to 15 inches long. Additionally, two front panel USB 3.0 ports and a flip-down drive cage with removable, washable front fan filters provide the convenience you seek. With a customizable layout, sturdy construction and elegant aesthetics, the SOLO II USM is the rebirth of Quiet Computing™.
