25-CHARACTER DESCRIPTION:

Quiet Mid Tower Enclosure

50-WORD DESCRIPTION:

The SOLO II reinvents Antec's renowned Sonata line with Quiet Computing™ technologies. Its dual hard drive mounting system includes tray mounts with silicone grommets and a tool-less suspension mount system. SOLO II also features dual-layer 1.0 mm SECC / polycarbonate top & side panels and sharp black aesthetics from the inside-out.

100-WORD DESCRIPTION:

The SOLO II emphasizes Quiet Computing™ and reinvents Antec's renowned Sonata line with a new set of attractive, practical features. Externally, the SOLO II's dual-layer 1.0 mm SECC / polycarbonate top & side panels absorb noise for exceptional sound dampening. To reduce vibration-related noise, the dual hard drive mounting system gives you the option of mounting your hard drives using tray mounts with silicone grommets or the tool-less suspension mount system. SOLO II features an anodized aluminum front bezel and piano black exterior for an elegant, professional appearance. With washable fan filters and two front panel USB 3.0 ports, the SOLO II is the rebirth of Quiet Computing™.

150-WORD DESCRIPTION:

The SOLO II emphasizes Quiet Computing™ and reinvents Antec's renowned Sonata line with a new set of attractive, practical features. Externally, the SOLO II's dual-layer 1.0 mm SECC / polycarbonate top & side panels absorb noise for exceptional sound dampening. To reduce vibration-related noise, the dual hard drive mounting system gives you the option of mounting your hard drives using tray mounts with silicone grommets – compatible with 3.5" and 2.5" – or the tool-less suspension mount system. SOLO II offers further customization with a dedicated 2.5" SSD drive mount and space for graphics cards up to 15 inches long. An anodized aluminum front bezel and piano black exterior create an understated, professional appearance. Additionally, two front panel USB 3.0 ports and a flip-down drive cage with removable, washable front fan filters provide the convenience you seek. With a customizable layout, sturdy construction and elegant aesthetics, the SOLO II is the rebirth of Quiet Computing™.
