

HIGH GLOSS BLACK FLAT PANEL A/V SYSTEM

*T*his contemporary audio/video furniture is designed to hold most Flat Panel TVs up to 55" or 125 lbs., and up to four audio/video components. The metal frame is accented by a sleek curved front, and features a beautiful High Gloss Black scratch resistant, powder-coated finish. The three Black tempered safety glass shelves and open architecture offer the necessary ventilation for convection cooling of your audio/video components. The CMS® Cable Management System hides and organizes unsightly wires and interconnect cables for a clean appearance.
