

# CA-2002

## 2-Piece Powered Speaker System

The CA-2002 is an excellent speaker for the price conscious.

Price conscious and don't want to break the bank? Then the CA-2002 is a 2.0 computer speaker system that's just what you're looking for. Don't let the fact that the set doesn't have a subwoofer fool you; the CA-2002 speaker system is splendid when it comes to crisp audio output, and with easily accessible fingertip volume control and power button, audio control has never been easier. Enjoy clean design and clean sound with the CA-2002.
