

CA-2011WB

2-Piece Powered Speaker System

The CA-2011WB is an excellent speaker for the price conscious.

This two piece system is designed for those who are price conscious, have limited desktop space, want good fidelity, and demand elegance. It's a work horse speaker that offers solid audio performance, built-in headphone jack for privacy, cloth grills, and finger tip controls. It's a great speaker solution for corporate, government, and educational needs.

FEATURES

- Convenient desktop controls
- Headphone output
- LED power indicator
- Cloth grill
- Magnetically shielded satellite speakers
