

CA-2022

5W (RMS) Powered Speaker System

The CA-2022 gives you a solid audio experience, and only takes up a small amount of desk space.

This two piece system is the perfect solution for those who demand audio excellence and elegance, but do not have the space for a three piece system. The CA-2022 2.0 computer speaker system incorporates high excursion/high efficiency drivers, convenient desktop controls and built-in headphone jack for privacy. This speaker is extremely durable and offers great fidelity. If you want a two piece system that maximizes audio performance, look no further.

FEATURES

- Convenient desktop controls
- Low distortion, high powered amplifier technology
- High excursion, high efficiency drivers
- Magnetically-shielded satellite speakers
- Headphone output
- Auxiliary input

WATTAGE:

Satellites: 2.5 watts/ch X2 @ 4 ohm @ 10% THD
