Embark on a healthy Wii Fit fitness regimen with the Wii Fit starter kit from CTA Digital. With this basic yet handy bundle you'll be able to properly maintain your Wii Fit Balance Board while you stay in shape. The kit contains the following to start a new way of enjoying your Wii Fit:

#### Balance Board Lithium Ion Battery Pack

This rechargeable lithium-ion battery pack is specifically designed to fit in the Wii Fit Balance Board battery compartment. The LED indicators on the battery display the status of a charge, a red light for charging and a green light for a completed charge. To charge just insert the DC end of the cable into the DC jack of the pack then connect the USB plug into the USB port on the back of the Wii console, Computer or other USB power source.

##### Specifications:

auto cut-off, when completely charged, preventing overcharging and overheating  
Charging Current: 500 MA  
Charging Voltage: 5V  
Capacity: 700mAh 1.5hs

#### Silicone Sleeve for Wii Balance Board

The soft silicone material acts as an absorbent to lessen the impact of steps taken on the Balance Board, which is sure to happen with active game playing. This sleeve has cut-out openings in areas that correspond with the bottom of the Balance Board and front switch/ LED indicator, allowing easy accessibility.

##### Features include:

Elastic mold for perfect fit  
Cutouts for easy access to switch/LED indicator

#### Balance Board Mat

Perfect for the Wii Fit, you can immerse yourself in those health-conscience, interactive games on your Wii Balance board safely knowing that you won't slide or fall easily as you would on a hard, wooden floor. Made of a soft, non-slip grip plastic material, your board, nor your feet would feel any uneasiness from this mat.

##### Features:

Soft, plastic, non-slipMat
