Knife storage slots on top

Three reclining options

Bring your iPad into the kitchen with CTA Digital's Bamboo Adjustable Kitchen Stand for iPad with Knife Storage. This handsome bamboo stand features four built-in slots for convenient knife storage and includes a stylus to comfortably access cooking apps, recipes and how-to videos while preparing food or anytime in the kitchen. The recessed stand is carved to hold the iPad Air or iPad (2nd – 4th generation) in either a horizontal or vertical position. It can also adjust to three different viewing angle positions or fold flat for countertop use and easy storage. So whether you want to use skype while you chop or cook and multitask with your apps, stay connected in the kitchen with CTA Digital's unique Bamboo Adjustable Kitchen Stand for iPad with Knife Storage.

Features:

- Adjust iPad viewing angle with 3 stand positions
- Carved design to hold iPad in horizontal or vertical orientation
- Folds flat for countertop use and easy storage
- Built-in knife storage for up to 4 kitchen knives
- Stylus included to easily use iPad and keep screen clean
- Made of naturally strong and eco-friendly bamboo
- Storage slot for included stylus
