Packaging Contents:

- AcoustiX™ Multimedia Speakers
- Quick Start Guide

1

Plug the USB cable into an available USB port on the computer. USB ports are identified as .

2

Plug the speaker's input into the computer's headphone jack.

3

Turn the speakers on by sliding the on/off switch upwards, and adjust the volume of the speakers with dial on the back of the left speaker.

Note: When the speakers are on, blue lights will appear on the front of each speaker. The speakers are Plug-and-Play. Once connected to the computer, they will be available for use.
