# Power Stand

Your Ultimate Charging Dock

ITEM No. - DGPS3-3809  
UPC - 8 45620 03809 1  
COLOR - Black

## PRODUCT FEATURES

The Power Stand is a multi-functional stand that gives you the ability to charge all your controllers while keeping your PS3 Slim\* stable in a vertical position. You can charge up to 2 SIXAXIS™ or DUALSHOCK®3 controllers, 2 PlayStation®Move motion controllers and 2 PlayStation®Move navigation controllers right on the stand. All docks are designed to securely fit their respective controllers and even have cutouts for wrist straps. It also has 4 powered USB ports built-in to connect to the PS3 and charge other USB powered devices including controllers, headsets, mobile phones, keypads and other accessories. The Power Stand includes a 100/240 Volt AC adapter to allow for charging anytime even when the PS3 is powered off. And it has a rubberized finish for that look and feel you will not get with any other stand.

The Power Stand is compatible with the following PS3 models: CECH-20xxA, CECH-21xxA, CECH-20xxB, CECH-21xxB, CECH-25xxA, CECH-30xxA, CECH-25xxB & CECH-30xxB. Not compatible with PS3 Slim (2012)
