

HD4L33AE

Asia Pacific Region

VERSATILE

- 2 light modes – spot and red for night vision

WEATHERPROOF

- Meets IEC 60529 IPX4 standards
- Ideal for outdoor use

DIRECTIONAL

- Pivoting head to direct light where you need it

CONVENIENT

- Soft elastic adjustable headband
- Push button switch for easy toggling between lighting mode
- Battery compartment with flip latch for easy open and lock

Lightweight, versatile and comfortable, the HD4L33AE keeps your hands free for everything from gathering wood to navigating a trail. The two light modes allow you to choose the best illumination for the task at hand. In addition, this light is weatherproof, making it ideal for outdoor use in any weather.

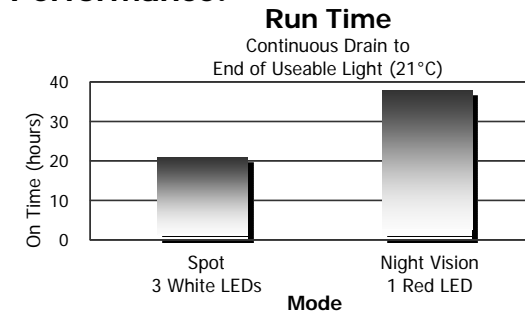

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
