

SOLRE35BP

VERSATILE

- Dual power sources
- Solar charge or batteries
- Solar panel charges even in low light

FLEXIBLE

- Folding design allows 180° or 360° use
- 2 light modes – bright area light and amber nightlight

BRIGHT

- Eight LEDs for excellent area lighting – 66 lumens in the “up” position
- Reflective mirror increases light output

LONG-LASTING

- 2.5 hours of bright light from 5 hours of solar charge
- 165 hours using Energizer® MAX® batteries

Dual power sources make sure you never have to interrupt your outdoor activities. The Energizer® Solar Folding Lantern's solar panel folds out to maximize sun exposure for charging and the high-tech material charges even in low light. For longer lasting light, the unit also uses “D” cell batteries. It provides bright, hands-free illumination for your home or campsite.

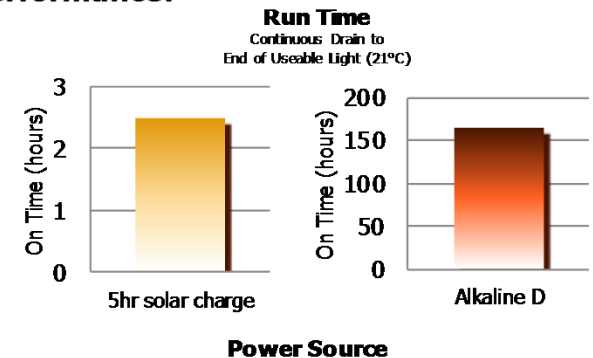

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

- Designation:** Energizer Solar Folding Lantern
- Model:** SOLRE35BP
- Color:** Orange and White
- Power Source:** 3-AAA, 850mA NiMH rechargeable pack (not replaceable) OR 3 "D" batteries
- ANSI/NEDA:** 3 "D" batteries - Series 13
- Lamp:** 8 White LEDs, 1 Amber LED
- Lamp Life (hr):** Lifetime
- Lamp Output (lumens):** 66 (5hr solar charge or D-cells)
- Run Time (h:mm):** 2:30 - 5hr solar charge; 165 - D-cells
- Beam Distance (m):** Not applicable to area lights
- Peak Beam Intensity (cd):** Not applicable to area lights
- Typical Weight:** 778 grams without D batteries
- Dimensions (mm):** 195 X 90 X 120

Performance:
