- **Easy, PC-free printing of brilliant borderless photos** — built-in card slots[5], plus, 3.5" touchscreen with gesture navigation

- **Smudge, scratch, water and fade resistant photos** — worry-free handling; share photos or archive important documents right after printing[6]

- **Brilliant results, smart value** — individual ink cartridges; replace only the color you need

Professional Photo Quality

The Expression Photo XP-950 puts professional-quality photo printing right at your fingertips. This wide-format all-in-one features 6-color inks and an innovative, fold-over scan lid that holds originals in place. Quickly produce stunning borderless photos up to 11" x 17" or print 4" x 6" photos in as fast as 11 seconds.[1] Featuring the ultimate in wireless printing[2], the XP-950 makes it easier than ever to print from your iPad, iPhone, tablet or smartphone[3], whether in your home or out and about. No matter what you choose to print, you're ready with a dedicated photo tray, specialty paper support[4] and CD/DVD printing.

Stunning borderless photos up to 11" x 17"

Print sharp, grain-free photos with smooth gradations and true-to-life skin tones thanks to 6-color inks. This sleek printer boasts a wide color gamut and ensures brilliant borderless photos, including 3.5" x 5", 4" x 6", 5" x 7", 8" x 10", 8.5" x 11" and 11" x 17".

Innovative features for intuitive printing

Thanks to a dedicated photo tray, the XP-950 is always ready to print — there's no need to switch to photo paper. And, with its innovative paper tray, just click "Print" and the auto-extend tray comes out automatically.

Easy photo enhancements

Built-in Auto Photo Correction automatically evaluates and corrects digital images. It even includes advanced face detection, correcting the color to ensure beautiful, natural skin tones, plus easy red-eye removal for amazing photos every time.

Brilliant photos, fast

Print your favorite photos quickly and easily. The XP-950 delivers stunning, borderless 4" x 6" photos in as fast as 11 seconds[1].

Innovative lid keeps originals in place

Make scanning easy with the new, fold-over scan lid. This innovative feature secures originals, giving you a perfectly scanned image almost every time.

Intuitive 3.5" touchscreen with gesture navigation

The XP-950 makes using your all-in-one easier than ever. Use the built-in card slots[5] and 3.5" touchscreen with gesture navigation to preview, edit and print photos — all without your computer.

Creative projects made easy

Create elegant note paper or customized invitations in a snap to make special occasions even more memorable. Use the rear paper feed for specialty paper such as card stock, envelopes, labels and more.[4] Or, create customized CDs/DVDs with direct CD/DVD printing.

Worry-free handling

Get professional quality photos that are smudge, scratch, water and fade resistant[6], so you can share photos or archive important documents right after printing.
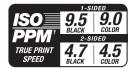

Brilliant results. Smart value

Get amazing results every time with the XP-950 and Claria® Photo HD Ink, available in standard-capacity or high-capacity cartridges for different printing needs. Replace only the color you need with individual ink cartridges. Plus, you can save with color multi-packs.[7]

Claria®
Photo HD Ink

Get more done

Featuring speeds up to 9.5 ISO ppm (black) and 9.0 ISO ppm (color), the XP-950 can quickly take on any task.

ISO PPM†	1-SIDED	
	9.5 BLACK	9.0 COLOR
TRUE PRINT SPEED	2-SIDED	
	4.7 BLACK	4.5 COLOR

Product protection you can count on

The XP-950 comes standard with a one-year limited warranty, featuring a quick and convenient product exchange program. So you can rest easy, knowing you have dependable service and support.

The ultimate in wireless printing[2]

Easily print from anywhere in your home

Share the XP-950 with multiple computers and mobile devices, and enjoy the freedom to print from anywhere in your home. Choose from using your existing network — with 802.11n, setup couldn't be simpler, — or Wi-Fi Direct, where no wireless network is required, which makes peer-to-peer printing easy.

Print and share from anywhere in the world[3]

Print wirelessly from your iPad, iPhone, tablet, smartphone or laptop computer with Epson Connect. Easily print documents, photos, emails and web pages from the comfort of your couch, your office or across the globe. You can even scan your documents and save them to the cloud.

Use with all your favorite Apple® products

Compatible with popular Apple devices, as well as Apple® AirPrint™, this all-in-one makes it easy to print your favorite content.

[†] Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. See www.epson.com/printspeed for details.

[††] Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on system configuration and page complexity. See www.epson.com/copyspeed for details.

1 Color photo in Draft Mode on Premium Photo Paper Glossy measured from start of paper feed. Actual print times will vary based on system configuration, software and page complexity. See www.epson.com/printspeed for details.

2 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Visit www.wi-fi.org/files/11nbasics_glossary.pdf for more information. Wi-Fi Direct may require printer software.

3 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. See www.epson.com/connect for a list of Epson Connect enabled printers and compatible devices and apps.

4 Specialty paper support accommodated through rear paper feed, maximum 23 mil paper thickness, manual 2-sided printing only.

5 Adapter may be required.

6 Smudge, scratch, water and fade resistant on Epson photo papers. For CDs/DVDs, resistant only on specially-treated discs.

7 Compared to single color cartridges; retail prices may vary.

8 See our website for convenient and reasonable recycling options at www.epson.com/recycle

9 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.

10 Some applications and/or functions may not be supported under Mac OS X.

11 Display permanence based on accelerated testing of prints displayed under glass in indoor display conditions; album permanence based on accelerated testing of prints in dark storage conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, temperature, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or UV filter or properly store them.

12 Replacement cartridge yields are based on ISO/IEC 24711 tests in default mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and all-in-one maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/cartridgeinfo
