VSPF2150  
(Sold Separately)

With a focus on features to help reduce TCO, the ViewSonic® VG2228wm-LED 22" (21.5" viewable) monitor delivers ergonomic comfort and a big, bold view for a productivity boost in any business environment. Full HD 1920x1080 resolution and an energy efficient LED backlit panel deliver crisp, clear viewing while users enjoy a productivity-enhancing customizable fit thanks to adjustable tilt, swivel, pivot, and height. The 2-port USB hub and slim bezel design with built-in speakers reduce clutter and save space for a more efficient work environment. For added savings, this energy-efficient monitor features ViewSonic Eco-mode for up to 30%\* less power consumption—making it a great long-term investment.

## **Key Features:**

Full HD resolution

Advanced ergonomic design

DVI, VGA, and dual-port USB hub

Slim bezel design with built-in dual speakers

VESA compliant for wall mount or monitor stands

## **Designed for:**

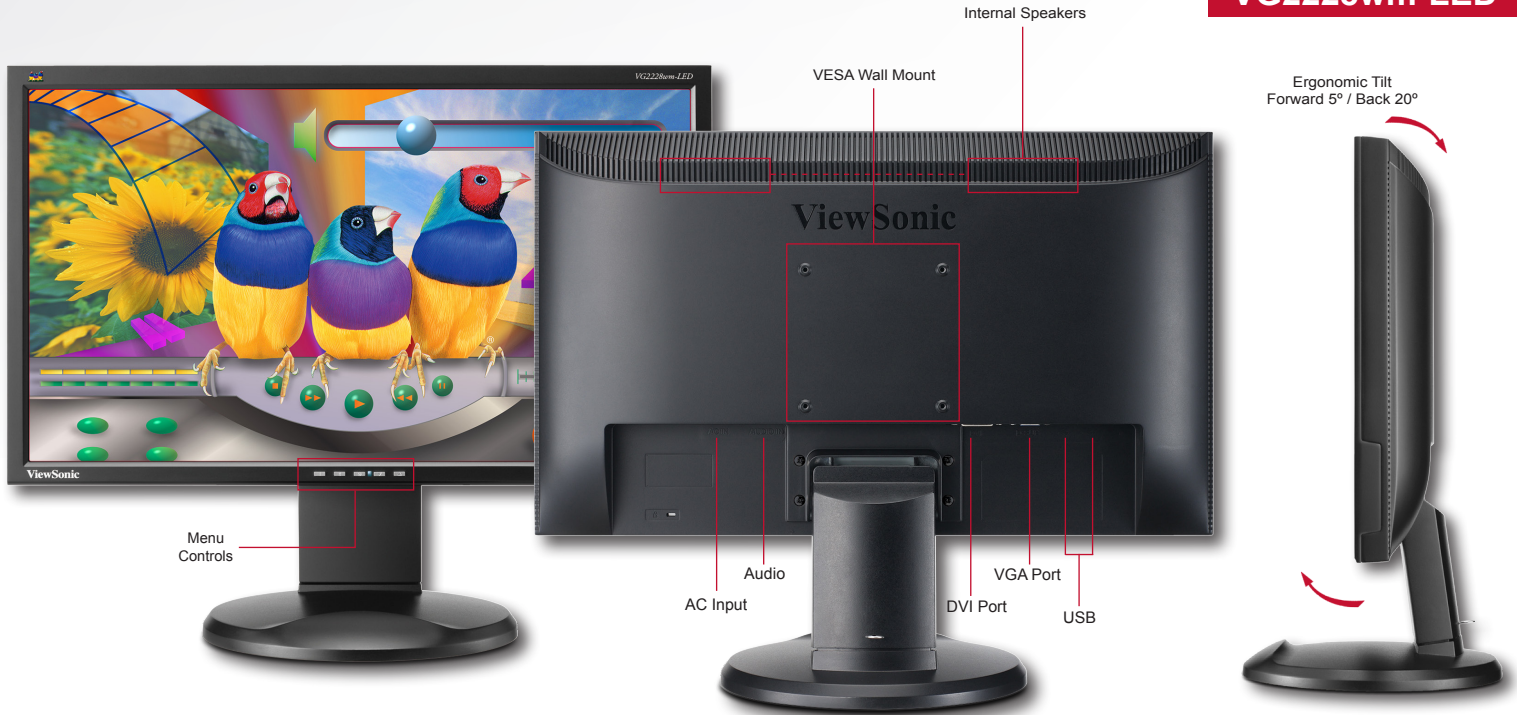

Business

Government

Education
