Overview

ZEUS Laser Gaming Mouse: GMS1100

Feel the Authority and Supremacy of God of All Gods- GMS1100

There are numerous reasons why ZEUS has been chosen to be GAMDIAS' state of the art gaming mouse. Not only because it has all the features that meets the demands of gamers in this generation, from 8200 DPI to 11 smart keys

with 9 of which being programmable, and customizable LED light effects and so on. But more importantly, ZEUS is the first ever gaming mouse that offers tool-less side panel adjustments on the go, which can be transformed accordingly depending on your preferences. Finding it difficult to cast numerous spells at once while drinking potions, then with ZEUS at your service with 9 programmable macro keys, you shall conquer any domain you choose to enter effortlessly.
