SP-S110
Basic Speaker System

Genius
Live with Ideas

The new SP-S110 stereo speaker system from Genius looks great with a LCD panel or Notebook PC. The power and volume controls and the headphone jack are on the front panel for easy access. You get a choice of two colors to suit your taste, black or computer white. Please contact your sales representative how you can pick up this low-cost but high quality speaker system.

Great for personal entertainment
