# HP Officejet Pro 8610/8620 e-All-in-One

## Professional color for up to 50% lower cost per page—and 50% lower energy—than lasers

Print eye-catching color marketing materials for up to 50% lower cost per page than lasers.<sup>1</sup> Cruise through high-volume printing tasks and help keep business moving with easy mobile printing<sup>3</sup> and convenient NFC touch-to-print technology.<sup>2</sup>

HP Officejet Pro 8610 e-All-in-One

HP Officejet Pro 8620 e-All-in-One

## Professional color for less than lasers<sup>1</sup>

- Look professional with every page, using Original HP pigment inks for vibrant, durable prints.<sup>9</sup>
- Count on a better value for frequent printing with Original HP high-capacity individual ink cartridges.<sup>5</sup>
- Set the pace for success with fast printing speeds—up to 21 ppm black-and-white and 16.5 ppm color (only for OJ 8620).<sup>10</sup>
- Attract new customers with borderless, double-sided marketing materials that help your business stand out.

### **Print on your terms**

- Print with just a touch from your NFC-enabled smartphone and tablet (only for OJ 8620).<sup>2</sup>
- Enable secure wireless printing from your mobile device—no router or access to local network required.<sup>4</sup>
- Easily print photos, documents, and more when you're on the go, using HP ePrint.<sup>3</sup>
- Share all your printer has to offer, office-wide, using 10/100 Ethernet connectivity—it's that simple.

#### Set a new pace for productivity

- Easily manage all your tasks and access apps<sup>7</sup>—just tap and swipe the 4.3-inch touchscreen (only for OJ 8620).
- Print two-sided pages fast—up to 10 pages per minute (ppm) black-and-white and 9 ppm color (only for OJ 8620).<sup>10</sup>
- Breeze through multipage documents with automatic two-sided scanning and the 50-page auto document feeder (only for OJ 8620).
- Depend on a printer with an up to 30,000-page monthly duty cycle—the perfect fit for reliable color printing.

#### **Increased business efficiency**

- Transform your workflow—quickly scan the documents you need at speeds up to 14 images per minute (only for OJ 8620).<sup>11</sup>
- Scan-to-e-mail, network folders, and the cloud—LDAP directory lookup easily locates your email destination.  $^{\rm 6}$
- Make copies more efficiently with CopySmart solutions, including printing a one-sided copy of a two-sided ID.
- Keep a close watch, even from afar—centrally monitor and control printers with HP Web Jetadmin.<sup>8</sup>

<sup>1</sup> Cost-per-page claim compares the majority of color laser MFPs <US\$500, August 2013; for details, see hp.com/officejet. <sup>1</sup>After first page; see <u>hp.com/go/inkjetprinter</u> for details. Print speed may vary depending on the type of output. <sup>2</sup>Local printing requires mobile device and printer to be on the same network. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP-web-connected printer. App or software and HP ePrint registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. <sup>2</sup>Speed specifications have been updated to reflect current industry testing methods. <sup>4</sup>Outy cycle is defined as the maximum number of pages per month of imaged output. <sup>1</sup>HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. <sup>6</sup>Average based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. Some ink from included catridge is used to start up the printer. For details see <u>hp.com/go/learnaboutsupplies</u> <sup>3</sup>Acoustic values are subject to change. For current information see <u>hp.com/support</u> <sup>8</sup> Power measurements are based on ENERGY STAR<sup>®</sup> OM test procedure with 230 VAC, 50 Hz input.
