Small and medium businesses will experience lasting value with this reliable, easy to use printer.

This printer series is easy to use and maintain with an intuitive two-line graphical control panel. Industry-leading HP Jetdirect and HP Web Jetadmin options offer easy network configuration and remote management.

Enhance the impression you create with 1200 x 1200 ProRes image quality and HP Smart printing technology (using genuine HP supplies ensures availability of all HP printing features), enabling crisp, clear detail on a variety of media. HP supplies are easy to use and maintain for a time-saving, cost-effective solution.

Get more for your money with value-packed features for greater cost savings, up to 850-sheet input capacity for lower intervention, and print speeds up to 30 ppm makes the printer ideal for small and medium businesses.
