## HP Care Pack Options

### Recommended Care Pack Services

Business Priority Support with Next Business Day Exchange: 3 years **UQ207E**

### Optional Care Pack Services

Business Priority Support with Onsite Exchange: 2 **U6M50E**

Create high-quality, high-impact communications in a wide range of sizes for an affordable price.

Spend less time running for supplies and save space on your desk with a compact printer designed to fit—and work—in small places. Handle large print jobs with ease, and rely on worry-free results with an 800-page recommended monthly print volume.

Easily connect and print, whether you're on the go or at the office. Connect through your office network—wireless<sup>1</sup> or Ethernet—to share this HP ePrinter with multiple PCs. Print from your smartphone or tablet from virtually anywhere.<sup>2</sup>

Save resources and reduce your impact with an ENERGY STAR® qualified printer designed with the environment in mind. Use 50 percent less paper with optional automatic two-sided printing,<sup>3</sup> and get free, easy cartridge recycling with HP Planet Partners.<sup>4</sup>

The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.

- 1 . Wireless performance is dependent upon physical environment and distance from access point. Wireless operations compatible with 2.4 GHz routers only.
- 2 . Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/eprintcenter](http://www.hp.com/go/eprintcenter)). Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Some HP LaserJet printers may require firmware upgrades.
- 3 . Automatic two-sided printing capability not included; please purchase separately.
- 4 . Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. For more information, or to request return envelopes and bulk collection boxes, visit <http://www.hp.com/recycle>.
- 5 . Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- 6 . Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- 7 . HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- 8 . Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
